Manager's Report – (attached)

Desmond was our summer hire – discussed re: keeping him on because there are not enough volunteers on Tuesdays, Desmond can lift, drive, inspects furniture, helps Ken – we need to watch his hours and pay in order not to incur benefits etc. Committee decides to hire him for 25 hours @\$14 for 50 weeks plus 8% vacation pay.

Super sort happening this Thursday evening.

Scheduling report – always need more volunteers, especially Tuesdays with pickups and deliveries.  
Jenny will be drafting a letter to send along with the journal this weekend reminding TBCS community of the importance of TAN.

Next meeting October 15.
