

Leadership Team Report: Tuesday April 9, 2019

1. Staffing

Allen Bron is working on all the scheduling of teachers and contracts for the upcoming year. I, personally, have not been involved in this process at all so there is nothing I can report about any of that.

The school did receive an application for the JK/SK teacher aide position and the HR committee will be working through that process.

2. Diplomas

The OACS is no longer providing diplomas for our graduating students. They have suggested that other schools are creating their own diploma certificates. Our school will need to do the same.

3. Toronto Trip

The scheduling of the Toronto Trip is going well, and there should not be any problem keeping the cost of the trip under the budget.

4. Skate-a-thon

The final amount obtained from the Skate-a-thon has yet to be determined. Money is still being collected by the office. The total so far is \$22000.

5. Grandparent's Day

Grandparent's Day is scheduled for April 26, 2019. The promotion committee will be helping to host the event.
